FOR BOTANIC GARDENING

ORGANIC EARTHWORM CASTINGS

- ✓ Earthworm Compost
- ✓ Soil Enhancer

GREEN JEWEL ORGANIC EARTHWORM CASTINGS is an organic form of fertilizer produced from earthworms. Also known as Vermicast. As these creatures eat through compost, their waste creates an optimal soil enhancer.

GREEN JEWEL ORGANIC EARTHWORM CASTINGS consists a full spectrum of minerals and nutrients like potassium, nitrogen, magnesium, calcium, phosphorus, copper, zinc, cobalt, iron and carbon.

GREEN JEWEL ORGANIC EARTHWORM CASTINGS contains all the essential nutrients that plants need in addition to enriching the soil in which the plants are grown. It can be used directly on plants without burning them and can be applied as top dressing, side dressing, or worked into the soil.

GREEN JEWEL ORGANIC EARTHWORM CASTINGS offers a wide variety of benefits to your soil and your plants including active biology that work with your plants and soil to help in a number of ways.

GREEN JEWEL ORGANIC EARTHWORM CASTINGS are loaded with microbes, bacteria, fungi, amoeba, protozoa and nematodes. This natural life works in a symbiotic relationship with your plants to help break down nutrients, increase water retention, soil aeration and can help prevent disease.

GREEN JEWEL ORGANIC EARTHWORM CASTINGS has the amazing ability to absorb toxins and harmful bacteria to help improve overall plant health.

Benefits:

- ✓ Enhance and amend soil conditions in an organic and natural way for vigorous plant grows.
- ✓ All essential nutrients and trace-elements are in the most simple forms, hence plants can quickly and easily absorb it.
- ✓ Improve soil structure to optimum conditions for maximum aeration and water retention.
- ✓ Promote fibrous root system.
- ✓ Balance up soil's pH reading.
- ✓ Improve soil's Electrical Conductivity (EC).
- ✓ Improve the quality of the plant's yield.
- ✓ Improve plant's immunity system to against diseases.

Dosage:

- Herb** 3 - 5 spoon per month
- Potted Plant** 4 - 6 spoon per month
- Vegetable** 300 - 500 g / m²
- Fruit Tree** 3 - 4 kgs / tree
- Mature Tree** 5 - 6 kgs / tree

Recommendation for New Potting:

It is advisable to add **GREEN JEWEL ORGANIC EARTHWORM CASTINGS** with potting soil mix in 1:5 ratio for rich-in-nutrients for plants and vegetables.
