

GREEN JEWEL[®]

FOR BOTANIC GARDENING

ANTSHIELD 365

ANTI-ANT DUSTER

1% Synthetic Pyrethroid

Highly effective, long-lasting ant killer.

Minimal toxicity to humans and animals.

Harmful to fish.

Direction of Use

Lightly dust the ant trails and the crevices where ants gather. Repeat as needed, typically after several weeks.

Note

Antshield 365 is highly effective against a wide range of insect pests.
